

ENGINEERING MANAGEMENT SERVICES FEES AND SERVICES

The Engineering Management Services is a unit under the Engineering Services Department. The unit operates three (3) Elect./Mech. Engineering Training Schools at Ijora in Lagos state, Kuje in Abuja and Abeokuta in Ogun state for advanced artisan training. The six (6) months training programmes are for the conversion of officers from Chief Driver/Mechanics, Plant Operators, and Senior Foremen to Works Superintendent Cadre to avoid stagnation.

- | | | | | |
